and the withered leaves drift down from the dying trees
feels a winter chill, I've got to lay down and cry, but

I've got to lay down and cry, but

as they find release; but I'll remember it,
I know by and by that

as they find release; but I'll remember it,
I know by and by that

as they find release; but I'll remember it,
I know by and by that
the sweet per-fume of
